Sunday's Sermon: Barry McCune will be preaching this Sunday.

Two Updates:

The first update has to do with the pavilion. I would like to put some minds at ease regarding the next phase in the land project. We want to make sure all questions are answered before we move forward on this project. Having said that, it is projected for the spring, which gives plenty of time to listen to the questions and concerns as well as gather information. Remaining unified as a church is critical, so as details become available, they will be shared through the Friday Communication and from the pulpit. Let's remember that the purpose for the Land Project is to build relationships with people in our community and to tell them about Jesus.

The second update has to do with the security cameras. Now that the cameras have been installed, Stylus is willing to come back for a training session for anyone who is interested in knowing how to use this equipment. Since Pastor Troy is on vacation this week, if you would like to be a part of this training, either send him an email or leave a message on the church phone (troy@explorewcc.org or (260) 692-6354).

Coming this Sunday:

Barry McCune will be filling the pulpit this Sunday. This allows Pastor Troy to take a week of vacation beginning on the 9th of September and being back in the office on the 16th of September.

Keep the date:

Plans are in motion to engage in conversations with our community on Saturday, September 28 from 4-7. This is the date for the Community Picnic, so be ready to enjoy some simple foods around a campfire if chilly weather comes our way.

OCC:

Between your generous giving and individuals in the community making donations for using the facility, we have enough money to mail the shoeboxes we fill this year. Also, each shoebox will receive a Bible in the language where it is being sent.

FlightWatch:

That is the name of the small magazine that comes to the WestSide Community compliments of MAF. Read stories of how the LORD is working around the world through this ministry that we support. It can be found at the Mission Center.

Let's Pray:

- New faces and families to begin attending WCC.
- Steve and Lindsey Bilimek (MAF) Mission Aviation Fellowship
- Jeff and Shauna Spence (Serving in Taiwan)
