Sunday's Sermon: Hebrews 2:9-18 (A Study of Hebrews)

Did You Know:

Valentines Day originated as a Christian feast to honor a martyr named Valentine. This holiday has evolved into one of romance and love.

Interested:

Pastor Troy will be presenting thoughts on Becoming a Welcoming Church during Sunday school this week. If you and your class is interested in hearing these suggestions, feel free to come in the gym.

Still On:

Just a friendly reminder to extend invitations to those people we interact with who may be interested in sitting with you as our guest this Sunday. While inviting others to church can happen anytime, this challenge ends March 31.

Nothing Yet:

In case you are wondering about the input of contractors regarding the gym, we can tell you once that information comes in, it will be shared with the church as soon as possible.

Up Here:

In case you are wondering, the items for the baby shower for the Hope Clinic are to be placed in the crib located on the stage in the sanctuary. Let's be a blessing to those who have chosen life for their baby by delivering them what they need.

Why:

The reason we have events is to continually connect with those in our church family. Jesus was continually building relationships and so should we. When we invite people to these events, we don't know how God has been working in their hearts. Who knows, maybe they will be at home in our church family?

Something New:

In the right-hand column you may notice a new verse. Each month we will put a new verse to for the church to focus on. The reason for this verse is to encourage people to bless the LORD by participating in the praise prompts.

Let's Pray:

Let's pray for new faces and families to begin attending WCC.
Steve and Lindsey Bilimek who serve God in Indonesia.
Jeff and Shauna Spence who serve God in Taiwan.
