Sunday Message: "Having a Heart of Wisdom" Colossians 2:3

Prayer: We encourage you to pray 10-15 minutes every Saturday night for the coming day of worship. Ask the LORD to bless us with new people and for his presence to be powerful. Always ask that the LORD will anoint the worship team and the pastor with the Holy Spirit's power.

Westside Community Church Member Communication Preferences Form: We ask each family/individual to fill the out so Pastor can make the appropriated contact with you in case of sickness, hospitalization, etc.

New Tables and Chairs: The SLT has agreed to purchase new tables and chairs for use in the gym. They will be black in color. We have the money to purchase them, but if you would like to donate toward this expense it will be received with much gratitude. See Brendan McCullough.

Operation Christmas Child: Thank you for all of the donations. We are ready to start packing. The kids will begin packing the shoeboxes this Sunday, November 2nd. If you would like to pack a box, feel to visit the classroom downstairs between church and Sunday School this Sunday. The kids get excited about packing and once they get started, there's no stopping them. Another way we'd love your help is for handwritten notes... a note will be put in every box, note cards will be available in the gym. Thanks, Karen

Our Nation: Let's continue to pray for our President, Vice-President and cabinet members asking God to lead them and protect their lives and families. Remember our Senators and Congressman and Congresswoman who work to make policy for the betterment of our country.

Kathy Nestleroad: Kathy has been having severe lower back pain.

Bam: Continue your prayers for Bam for her readjustment to life in Thailand.

Israel and Hamas Peace Plan: Pray that the entire plan will be implemented.

Persecuted Church: Pray for Believers all over the world that are facing persecution and death for their faith in Christ.

Brendan McCullough hurt his foot. Pray for his healing.

Steve Bilimeks Sister Rachel: Please pray as Rachel recovers, for her incision, for her pain. Pray for her heart, as it figures out the "new normal", that it would pump effectively and that she will not (eventually) need blood thinners.

Pray for Lifewise Academy for the salvation of children.

Pray for the Nation of Israel. Pray for her peace and protection.

June McCullough (Health Concerns)

Richard Hirschy (Health concerns)

Steve and Lindsey Bilimeks who serve God in Indonesia.
